

# MCUK04

Lifting kit | Power Distribution

These lifting eyes are mounted directly to the enclosure's frame, which releases the top cabling frame from any strain. These lifting eyes guarantee safe transportation and handling of the enclosure.

---

Item no.	MCUK04
----------	--------

---

**Description:** For lifting the enclosure together with the top cable frame MCU of 200 mm high. Mounted directly into the enclosure's frame and therefore releasing the MCU from any strain. 300 mm high MCUs must be lifted separately.

**Pack quantity:** 4 spindles with lifting eyes according to DIN 580 lifting instructions.
