Mounting plate

<b>H</b>	175
<b>W</b>	250
<b>h</b>	148
<b>w</b>	223
<b>Item no.</b>	SMP1825E

**Description:** Steel mounting plate for SABP boxes.

**Material:** 1.5 mm galvanized steel.

**Pack quantity:** 1 piece.

The steel mounting plate contributes to speeding up the assembly of the terminal box, since it can be machined easily and equipped with components before being mounted.
